

SPIRE RACK ENCLOSURES

Imagine -
then transform.

SPIRE racks bring order and warmth to your essential outboard gear. Each rack bay features it's own removable door to provide protection while allowing easy access to cabling and equipment.

Your dream studio
just got closer.

SPIRE

Spire 7140 Series

Spire rack enclosures feature unique frame panel construction utilizing 19mm thermo-fused MDF for density and stability. Internal frame panels have large pass-throughs between bays and multiple rail locations, pre-drilled to accommodate front and back rail options, and front and back cabinet doors. Back doors are standard on all Spire rack enclosures. Front doors, internal shelves, and rear rails are options available for all 90 and 70 Spire rack enclosures.

Spire 9140 Series

Spire 9280 Series

SPIRE RACK ENCLOSURES

SPIRE racks and accessories bring order and convenience to your studio. All Spire rack enclosures come with bay to bay cabling pass-throughs and removable back doors to provide easy access to equipment and connectors.
