

## Pro Tools 10 en version d'évaluation

Écrit par jc Prney

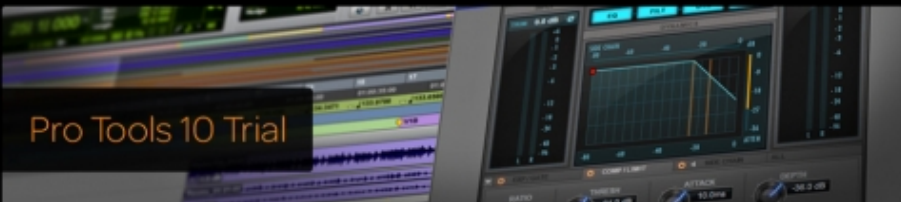

Dimanche, 08 Janvier 2012 23:54

Avid vous donne la possibilité de tester la nouvelle version de son logiciel Pro Tools 10 pendant 30 jours. Pour pouvoir tester Pro Tools 10, vous avez besoin d'une clé Pace iLok2, disponible au prix indicatif de 37 € HT (Ref.9900-65033-00) - achat auprès de CTM Solutions devis : ventes@ctmsolutions.com. Pro Tools 10 fonctionne sur Mac OS X Snow Leopard et Lion, ainsi que sur Windows 7, les deux en 32 ou 64 bit.

Pour télécharger gratuitement la version d'évaluation de Pro Tools 10, totalement fonctionnelle durant 30 jours, rendez-vous sur :

[www.avid.com/Trial/ProTools](http://www.avid.com/Trial/ProTools).

### Get Your 30-Day Free Pro Tools Trial

Compose, record, edit, and mix with **Pro Tools** — the award-winning professional's choice for music and audio post production. And now you can try the entire creative toolset free.

Just fill out the form, choose the software you wish to try (Pro Tools 10 or Pro Tools HD 10\*), submit your info, and download your software.
